

Broward Republican Executive Committee

Resolution in Support of Israel

WHEREAS, A Resolution in Support of Israel has been adopted by majority vote of our executive committee and this resolution reads as follows.

- We stand with Israel.
- We acknowledge Israel has the right to exist as a Jewish nation as she has for the past 5,000 years.
- We support the war against Hamas as Israel defends herself against the massacre and assault by Hamas on October 7, 2023.
- We support Israel's actions in the war against Hamas and reject any international pressure for a ceasefire.
- We demand the United States government support and assist our ally Israel in her fight against Hamas and other terrorists without conditions.

Certification

I hereby Certify that the forgoing Resolution has been approved by vote of the Broward Republican Executive Committee on April 29th 2024 at a duly called meeting with quorum of members present.
